Introductory thoughts

Many problems are not caused by the fact that we don't know something. Rather by the situation when we are sure about something, but we are wrong.

Bu proje Avrupa Birliği ve Türkiye Cumhuriyeti tarafından finanse edilmektedir.

Introductory thoughts

Most people believe they do right things.

Evaluation is a way to get some doubts about it...

...in a useful way.

This slide is titled "Brainstorming" and features a central word cloud of evaluation-related questions. The word "Evaluation" is prominently displayed in red. The questions include "Why evaluation?", "Why should someone want to evaluate something?", and "What is the purpose of evaluation?". The slide is decorated with the Turkish and European Union flags in the top left, the IPA II logo in the top right, and logos for the Ministry of National Education, EY, and the EU in the bottom left. A red and blue horizontal bar runs across the bottom of the slide.
